**TAPE PRODUCTS**  
PROFESSIONALS' CHOICE

Outstanding cold weather performance. Instant adhesion and superior quick stick. Mold resistant.

**Colors: Aluminum (Printed)**  
Sizes: 2.5 in x 60 yd,  
72 mm x 55 m

Thick 1.75 mil aluminum foil facer. High tack, high adhesion rubber adhesive. Conformable and durable. UL 723 Classified.

**Colors: Aluminum**  
Sizes: 48 mm x 46 m,  
72 mm x 46 m

Acrylic adhesive performs in extreme cold or high heat/humid conditions. Aggressive tack and adhesion. UL 723 Classified.

**Colors: Aluminum**  
Sizes: 48 mm x 46 m,  
72 mm x 46 m

High adhesion and tensile strength. Crisp, straight tear.

**Colors: Metallic, Black, Silver**  
Sizes: 48 mm x 55 m,  
72 mm x 55 m

Contractor tough film is durable and hand-tearable. High tack adhesive bonds quickly and holds strong. Mold resistant.

**Colors: Metallic, Black**  
Sizes: 48 mm x 110 m,  
72 mm x 110 m

Excellent tensile and tearability. Tested in accordance with UL 723.

**Colors: Silver, Black, Red, White, Blue, Green, OD, Yellow, Tan, Burgundy, Brown**  
Sizes: 48 mm x 55 m,  
72 mm x 55 m

## 324A

**UL 181A-P & UL 181B-FX Listed**  
Premium cold weather foil tape for rigid fiberglass duct board and Class 1 flexible duct.

## 322

**Multi-Purpose Grade**  
Sealing duct work for HVAC-R systems. Insulation patching and seaming.

## 330X

**Extreme Weather**  
Extreme cold temperature duct and insulation seaming applications.

## 557

**UL 181B-FX Listed**  
Premium PE-coated cloth tape for sealing Class 1 flexible duct.

## 555 FlexFix<sup>®</sup>

**UL 181B-FX Listed**  
Seals Class 1 Flexible Duct and Connectors. Superior adhesion to foam pipe and bubblewrap insulation.

## 2280

**Multi-Purpose Grade**  
Bundling, packaging, seaming, general repairs, and color coding.

Synthetic rubber adhesive offers high tack and excellent adhesion. Tear resistant. Matches FSK facing.

**Colors: Aluminum**  
Sizes: 48mm x 46m,  
72 mm x 46 m

Extreme weather acrylic adhesive withstands high heat and humidity and bonds even in extreme cold. Tough and durable. Mold resistant.

**Colors: Aluminum**  
Sizes: 72 mm x 46 m

Super tough embossed foil laminate backing resists puncture. Mold and moisture-resistant adhesive bonds permanently and withstands cold temperatures.

**Colors: White, Metallic**  
Sizes: 4 in x 15 yd

Conforms well to irregular surfaces. High adhesion. Resists twisting and curling.

**Colors: Silver, Black**  
Sizes: 48 mm x 55 m,  
72 mm x 55 m

Excellent balance of tensile strength and tearability. Aggressive adhesion to rough surfaces. Tested in accordance with UL 723.

**Colors: Silver, Black, Red, White, Blue, Green, OD, Yellow**  
Sizes: 48 mm x 55 m,  
72 mm x 55 m

Conforms well to irregular surfaces. High adhesion. Tested in accordance with UL 723.

**Colors: Silver, Black**  
Sizes: 48 mm x 55 m,  
72 mm x 55 m

## FSK

**Jacketing Tape**  
Foil/Scrim/Kraft tape for insulation sealing and patching.

## 438

**Extreme Weather Jacketing Tape**  
Foil/Scrim/Kraft tape for insulation sealing and patching.

## 314CRT

**Cooler Repair Tape**  
Seals seams, cracks, and corners against air leakage for walk-in refrigeration units, refrigerated trailers, etc.

## 300/396

**10 mil Multi-Purpose Duct Tape**  
Leading multi-purpose duct tape for general bundling and repair.

## 398

**11 mil Professional Grade**  
Long-term heavy duty sealing and seaming. Color coding.

## 345

**12 mil Professional Grade**  
Premium waterproof duct tape for seaming, repairing, and patching HVAC systems.

Permanent air-tight and waterproof bond but can be repositioned during installation. Conformable, durable, and puncture resistant. Performs up to 10" w.g. pressure. Mold resistant.

**Colors: Aluminum (Printed)**  
Sizes: 48 mm x 31 m,  
72 mm x 31 m

Forms instant, permanent water-tight bond. Excellent temperature and moisture resistance. UL 723 Classified.

**Colors: Aluminum (Printed)**  
Sizes: 2 in x 100 ft,  
3 in x 100 ft

Excellent balance of tearability and tensile strength. Aggressive adhesion to rough surfaces.

**Colors: Metallic**  
Sizes: 48 mm x 55 m,  
72 mm x 55 m

High adhesion and tensile strength. Puncture and abrasion resistant.

**Colors: Silver (Printed and Unprinted), Black, Red, White**  
Sizes: 48 mm x 55 m,  
72 mm x 55 m

Matte-finish cloth tape with rubber based adhesive. Holds strong yet removes cleanly from surfaces.

**Colors: Black**  
Sizes: 48 mm x 50 m

UV Resistant. Acrylic adhesive offers excellent adhesion to foam and all-weather performance. Resists lifting and flagging.

**Colors: White (Unprinted), Black (Printed and Unprinted)**  
Sizes: 48 mm x 55 m

## 367-17 Foilmastic<sup>®</sup>

**UL 181B-FX Listed**  
Premium foil/butyl tape for flexible and rigid sheet metal ducts.

## 327

**Mastic Tape**  
Indoor/outdoor sealing of sheet metal ducts, gutters, trailers, and more.

## 365

**11 mil Pro Grade—Metallic**  
Duct and joint sealing where a metal finish is desired.

## 357

**13 mil Premium Grade**  
Industry-standard waterproof premium duct tape for sealing and general repairs.

## 510

**Gaffer Tape**  
Indoor/outdoor wire hold down, bundling, and repairs.

## 444

**Lineset Tape**  
Wrapping and protecting outdoor line sets for heating, cooling, and ventilation systems.
